

Guess a number...

- Correct!

I'm thinking of a number between 47 and 49. You have 3 guesses remaining.

Your guess:

如果weld probe可用，则应用程序的
每个页面会显示下面的信息

点击访问weld probe

Running on Weld 2.3.3.SNAPSHOT. The development mode is **ENABLED**. Inspect your application with [Probe Development Tool](#).
See [all bean invocations](#) within the HTTP request which rendered this page.
